## DO THIS

## DON'T DO THIS!

Allied's moisture resistant pouch was developed specifically for the offset printer.

- Controllable flow rate
- Less blanket piling
- Packaging provides resistance to moisture & contaminants
- Use for a wide variety of printing applications
- Suitable for all types of powder applicators
- Uniform grain shape
- Keeps your pressroom cleaner by reducing powder residue
- 10 micron and smaller particles are filtered out to reduce airborne powder residue

We encourage you to verify the suitability of our coated spray powder for your applications.
